

Art Nude One Day Course

After many requests and following the success of our Portrait Courses we are can now offer an Art Nude One Day Course. This is a fantastic chance to add to your portfolio and a great follow-on from our portrait course (although its also a stand alone course)

The course is suitable for all photographers wishing to learn about controlled lighting and working with a nude model to producing high quality photographs. The lighting techniques are also suitable for pregnancy and maternity photography.

It will cover Low and High Key lighting in the studio using a variety of different accessories in a relaxed and informal atmosphere. We have secured the services of a highly experienced figure model who is used to working with groups and will handle all the posing for you but may also be directed if you wish.

The Course Covers:

Working with a professional model and how to treat them!

Low Key shooting with a single light source with very controlled lighting using a strip softbox.

Back/edge lighting with honeycomb grids.

Silhouettes

High Key Lighting for classic nudes. – Learn how to light a white background!
