The Western Region of the RPS is delighted to offer students, about to enter their final year of undergraduate study, an opportunity to apply for a Bursary of £200 and one-year's membership to the RPS.

The bursary is intended to help the student execute a final year photographic project that is assessed as part of their degree.

The deadline for submissions is midnight Friday October 13th, 2023.

The successful applicant will be notified by Monday, November 13, 2023.

The student receiving this bursary will be asked to supply a photo of themselves with a short biography (up to 200 words) which will be used to announce their success.

On completion of the project, they will be asked to provide three or more images, which formed part of the project, and a short account of how the bursary helped achieve them.
