

RECRUIT & WIN

£300 to spend at Wex Photo Video

Recruit an RPS member to join DIG, and both you and your friend will be entered into a draw to win £300 to spend at Wex Photo Video. There is no limit to the number you submit. The draw will take place at the DIG AGM 2020 and you or your friend could **win a £300 Wex voucher**.

There are so many advantages to belonging to the Digital Imaging Group. You probably have friends or camera club acquaintances who would enjoy and benefit from it. The new member can join either DIG or DI Online – both are eligible. Here is an easy table to show your friend all the benefits of membership. If possible, also give the prospective new member the copy of DIGIT. Your enthusiasm for DIG will also help you persuade them. Remember they need to be an RPS member to join DIG.

- Only existing RPS members are eligible to be recruited. Non-RPS individuals have to join the Society first.
- DIG members nominating new prospective DIG members are free to recruit more than one new member.
- For each new member you gain you will get a ticket in to the draw. So the more you recruit, the more chance you have of winning the £300 Wex voucher.
- We need to know your name and RPS number, plus the name and email address (or RPS number) of your nominee, too, please.
- Once we see your nominee's name appear on our membership lists, your entry into the prize draw is validated. And your nominee's entry is also validated.
