

## LONDON 2026 AGM

### **Item 3a) Matters arising: -**

#### **Minute Item 24: “Project for 2025”**

“The discussion reached no conclusions other than the need to consult with those not at the AGM. David undertook to email Member with a questionnaire to seek further suggestions and views.”

#### **Actions taken and completed:**

A survey was circulated and as a result four projects were identified as having potential interest: -

- Patterns of London
- “Architecture”
- Watery London
- VE Day & VJ Day 80th Celebration.

Joanne Segars ran the first three projects and David Hicks the fourth.
