Skypark, Glasgow October
Eden Ct Inverness January 23
Arts Centre Aberdeen February 23**

We are trying to confirm the following, please refer back for up to date information:-

Angus might be taking it for 1-2 months too, but they are proving very slow to respond to correspondence. Fife and Dumfries are just a struggle for this year, so we'll be less venues, but 2 big new ones so that's a bonus.

The Documentary Photographer of the Year exhibition is coming to Scotland, for 2 months:

**Chatelherault, Lanark September
Eden Ct Inverness October**
