

Special Note:

First of all I want to express our sincere thanks to Christine Pinnington our outgoing Editor for the excellent work she has done in the design and presentation of 'Concept', our Contemporary Group newsletter. We wish her well for the future and look forward to seeing the fruit of her projects.

We must apologise for the interruption in the production of our Concept Newsletter. Unfortunately nobody was able to take responsibility as interim Editor at this time. As you may imagine we are all volunteers and have been busy with our other tasks.

We had one response to our plea for a new Editor who, after due consideration, was deemed not suitable. However we are pleased to announce that we now have a volunteer – Lyn Newton who has agreed to take on the job of Editor and will be supported by Christine. Watch this space!

I would like to take this opportunity to remind all Contemporary Group members that details of future events, reports of CG regional group meetings and members blogs can be found on our Group pages of the RPS website.

Contact details for Sean Goodhart, our webmaster and regional coordinators can be found in the back of the CG Journal.

We would also like to feature members projects in future editions of Concept and Lyn will provide contact details in her first publication. I look forward to seeing your projects and images....

Best wishes to Lyn in her new post...
