FLOWER STREET, WOODBURY, EXETER, DEVON, EX5 1LX  
(A free public car park is adjacent to the Hall).**

RPS SW Visual Art Group will meet again on Saturday, 2<sup>nd</sup> March 2024.

The venue for this meeting is Woodbury Village Hall, Flower Street, Woodbury, Exeter, Devon, EX5 1LX.

I am delighted to announce that our speaker will be London based photographer, Vanda Ralevska. Vanda gave a talk last October at Make South West. I found her work both uplifting and inspiring and felt that she would be a perfect speaker for our group.

Vanda has a true passion for landscapes, nature and the outdoors. She is in constant search for those fleeting moments of magic that turn our world into something extraordinary. Vanda finds her inspiration in quiet landscapes and the intimate details that abound in nature. In her images she strives to reflect the atmosphere, feeling, and sheer wonderment that our natural world evokes within us.

Vanda is a Kase Filters Ambassador, a member of Arena Photographers Group and a regular judge for the Landscape Photographer of the Year competition.

Aside from photography she enjoys giving lectures at camera clubs and photographic groups, hoping to inspire others to find the beauty that exists within everyday scenes, and to look beyond the obvious.

The afternoon session is planned for participants to show and tell their work which can be prints or DPIs. If you are interested in joining us, please contact Marija Lees at [visualartswest@rps.org](mailto:visualartswest@rps.org)

The event is open to RPS Members and Non-Members.
