

# RPS LONDON REGION SW London Sub-Group “Totally Thames” Exhibition in Putney Library from 7<sup>th</sup> September 2020

RPS London ran a project during the London Totally Thames Festival in September 2019 to photograph both the Thames Festival and the Thames and its activities.

These 12 images by 10 photographers were selected from a sub-set of the project's images to represent photographers who are active in the SW London Sub-group

The images run from east to west across London as in the exhibition.
