Second group after visit to The Royal Collection to see 19C images in the collection including some by Roger Fenton

Last Month

A busy month. 40 members checked in to Roger Reynolds Zoom talk on judging which included many stunning images taken by Roger. Sadly Teri's talk on Women in Photography had to be postponed but there was a successful day with Martin Addison at Woosehill. The great news is that we have 2 members that have offered to help with the Woosehill Programme so the TV Events team is working on the 22-3 programme. Thanks go to Chris and Bryan for stepping up. Woosehill is an important part of our offering to members and special thanks go to Janice who is stepping down as Woosehill Programme Secretary after a magnificent effort over an extremely difficult period during the pandemic. The team, Alan, Carol, David and Steven have put in so much time and effort to keep it up and running – thanks guys.

The other news is that we have been joined by Jonathan Bowker who will take on the non Woosehill events in TV. Jonathan is being helped by Andrew Turner.

I have to admit being disappointed to the response to a possible Jubilee photobook. So far only 5 members have volunteered to send me images. I am sure most of you took pictures over this unique weekend **so it's not too late to send me some to gareth@imageinpro.com**

Further ahead

June

As many of you will be aware the RPS is having some IT issues as it moves to the new CRM platform and currently the booking system is down. Luckily we anticipated that there would be issues and held off putting on events in the first half of June. On the 22nd TV is hosting a talk by Jerry Webb on behalf of the Philip Joyce Regional Organiser Thames Valley Documentary Group

July

We are now full for the **creativity weekend** with Paul Hill FRPS and Maria Falconer FRPS on the 1st to 3rd.

September

Steven is looking at organising a day at **Santa Pod** drag racing track on Saturday the 10th Sept. An early expressions of interest welcome.

November

We are planning for the **AGM** at a date tbc. If you are interested in joining the Committee please let me know, help is always welcome.

We are here to try and add to the range of opportunities for members to explore the opportunities and skills of photography and what the RPS has to offer. If you have any ideas of things that we could do better or activities we should undertake let me know.

Thames Valley is a large region and the Committee is determined to provide opportunities to TV members. Remember to stay in touch by following our Twitter, Facebook and Instagram feeds.
