

NEW Talk-Walk-Talk – coastal photography

Join a local walk – organised by the RPS
All are welcome

What is Talk-Walk-Talk (T-W-T)?

First is an online **TALK* on Thursday 7 September at 19.30** with Richard Ellis ARPS giving us hints and tips for how to take good coastal images.

Your local **WALKs** are at

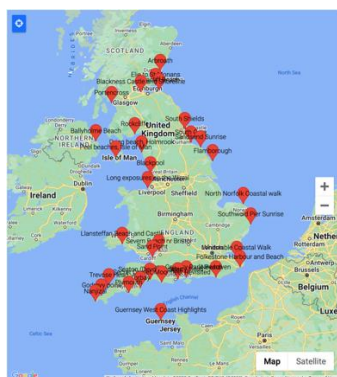

Nanjizal	13 September @ 10.30am	with	Sue Searl
Seaton & Beer	16 September @ 10.00am	with	Lois Wakeman
Trevose Head	18 September @ 10.00am	with	Jasmina Goodair
Torbay	1 October @ 2.00pm	with	Janet Haines
Godrevey Point	14 October @ 12.00	with	Ian Hampton
Plymouth	18 October @ 10.30am	with	Paul Evans

The final part is the **TALK** where you get together locally with your walk group to share images from the walk and discuss what you have learnt.

For Devon walks this will be at Liverton Hall on 23 November.

For Cornish walks the date and location is still TBA when we know the distribution of walkers.

Part 1 & 2 (Talk and Walk) are FREE to all RPS members. NonRPS individuals are welcome and may join us by paying a small fee. Please share this notice with local photographer friends.

Example map only

Walk Leaders have added details of their walk to a special booking site – an interactive map of the UK showing where all the walks are being held. Click on the walk that you wish to attend to read all about the date/time/location. Once happy you have chosen the right one for you, go from the walk page to the booking link. In booking the walk you are simultaneously booking the 7 September TALK*. 7 September talk.

Walk leaders are not necessarily landscape photographers. They are there to organise the walk and the subsequent 'talk' session. By attending the 7 September talk you will get all the information you need. The **TALK*** with Richard will be recorded, so if you cannot make the date it will be online for later viewing; or even a reminder viewing prior to your walk.

To book your place go to <http://talkwalktalk.org>

We hope you will join us and enjoy this T-W-T programme. It is a great opportunity to get together on your walk with other local photographers.

Should you need to contact us please email TWT@rps.org
