Hello Film Club Members,

I hope you're looking forward to this afternoons screening, and I hope to welcome you all to the RPS. The screening will be starting around 1pm however I'll wait for some arrivals before starting as I'm aware of the challenges of travelling through Bristol today.

You can also add films to your Wishlist on the Into Film platform and the club leader can use this as a guide to choose the film programme, so get liking some films!

Are there opportunities for my child to get involved in the running of the club?

Yes! We'd love to have our club members be involved in the running of the club if they have a passion for film and want to share it with other members. We'd love for anyone who is confident and eager to give introductions to the films, begin discussions and reviews after the screenings and suggest any activities they'd like to do around each film's theme.

The education team at RPS and our film club leader are always open to hearing the opinions of young people and want to create a space where film fans can have a say and get involved.

How do I get to the RPS?

RPS House is located in Paintworks, Brislington in Bristol.

You can find information on how to get to us here: <https://rps.org/contact/>

Who is my Club Leader?

The RPS Into Film club leader is Elise Wooten, Engagement Officer. If you have any questions or would like to be involved please send Elise an email: elise@rps.org
