Welcome

Thank you for your booking for our online RPS event - 'An International Audio Visual Retrospective' to be held on Saturday 26th and Sunday 27th September 2020, which will be shown in four parts. Each part will be made up of two projection sessions. Each afternoon session will last an hour and a half and each evening session will last for an hour, with a short comfort break between the two sessions:

13.30 for 14.15 (BST) - Sessions ONE and TWO - Saturday Afternoon 26th September 2020
18.30 for 19.15 (BST) - Sessions THREE and FOUR- Saturday Evening 26th September 2020
13.30 for 14.15 (BST) - Sessions FIVE and SIX - Sunday Afternoon 27th September 2020
18.30 for 19.15 (BST) - Sessions SEVEN and EIGHT - Sunday Evening 27th September 2020

We will be using Zoom video conferencing to show the Retrospective. When you click on the link to join the online event, a Zoom application or app will be downloaded automatically. However, once the meeting starts there will be no technical support, so we would advise you to install the Zoom application prior to the event. As well as Zoom for Windows, iOS and Android apps are also available on the Zoom website - <https://zoom.us/download>

Once you have clicked on the link to join the Zoom online event, you will be placed in a virtual "waiting room". The online "meeting room doors" will be open 45 minutes before the start of each of the four respective parts as shown above. For security and Zoom licence reasons, only those that have booked will be allowed in from the virtual "waiting room".

Best regards and thank you for your support,
